Register with MySchoolAnywhere

It will also allow you to input your info to the online directory, give you access to the school store, make your Invest donation online, sign up to volunteer, and more. To register, visit join.myschoolanywhere.com and use the invitation code "huntersbend" (all one word) to input your last name and a primary email for your family. Then follow the simple instructions to input the rest of your family's info for the 2016-2017 school year. (You will be given an option to make your family's info visible or not visible for the school directory.)
